Specialists in Bespoke furniture and interiors

From the heart of Bahrain, Epica products are manufactured to the highest standards with the latest technological innovations. With over 25 years of experience, Epica brings great design with high functionality to the forefront. Using only the most premium of material, Epica focuses on a wide range of products designed for all spaces. We pride ourselves on a tailor-made manufacturing process to deliver only the best ergonomic and functional solutions.

The ability to recognize trends also represents a part of our efforts, we persistently develop fresh ideas, and we are constantly on the look-out for new products that are able to satisfy our clients' needs when required. With the highest attention to detail, our client's most demanding standards are met by our maker's relentless perfectionism.

Bringing ideas to life is at the core of our business. Together, we are a highly skilled team of designers, makers and tradespeople. From start to finish we ensure that every element of the process is carried out to the best of our ability, regardless of budget. From design project management, right through to finishing and installation.
